1. Please give the motion your Council would like considered at the DAPTC AGM

For Dorset Council to revise their policy on advising relevant parties/neighbours of planning applications

2. Please give the reason (as thoroughly as possible) why your Council is submitting this motion.

The Parish Council has heard numerous complaints from residents regarding not knowing that a Planning application had been made and then not having sufficient time to consider and add any comments/objections to the Planning portal. Dorset Council should consider what the residents are saying regarding their lack of notification. Relevant information or comments may not be being received due to lack of notification and or insufficient time to respond.

3. Please state how this issue is affecting parish and town councils in Dorset (with case study evidence please) and try not to duplicate answers from previous questions please.

Complaints from residents that they have not been aware of a planning application because of no notification and then being too late to make a comment or objection on the Planning portal, when the application may affect their home and wellbeing.

4. If you have information on how this issue is affecting parish and town councils nationally and why this is a national issue please give this and try not to duplicate answers from earlier questions please.

5. If relevant, please tell us exactly what aspect of national parish policy your Council would like NALC to lobby Government on (with case study evidence please).

6. If you have the information, please tell us exactly which part of primary or secondary legislation (or secondary regulation/statutory instrument) your Council would like to be changed as a result of NALC/local lobbying.

7. If relevant, please state what other action your Council would like NALC and its Policy Committee to take if this motion is adopted.

8. If you have the information, please confirm the names of any other organisation or local council that formally support your Council's motion.
